The 3rd Mystery of Light: The Proclamation of the Kingdom of God

Use your Bible to find **Matthew 4: 23-24**.
Remember this can be found online as well.

Write about this passage in your own words **or** write about it from the point of view of one of the disciples.

Please use paragraphs to organize your work and remember to take extra care with your presentation. You also need to read through your work and check your spellings **before** you hand it in.

Remember there will be team points and special stickers for neat work which is interesting to read. I would also like to see a lovely, colourful picture that fills the blank page.

Use Google images to find some pictures to inspire your work.
