

Science Overview – 2014 Curriculum

	Autumn 1 st	Autumn 2 nd	Spring 1 st	Spring 2 nd	Summer 1 st	Summer 2 nd
Year 1	Senses and Seasons	Science Project And Seasons	Seasonal change and Scientists	Naming trees and flowers	Materials and Seasons	Grouping Animals
Year 2	Animals and Health	Science Project and Seasons	Materials	SATs Revision	Germination and Plant Growth	Habitats and Food Chains
Year 3	Light and Shadows	Forces and Magnetism	Science Project and Scientists	Rocks, Fossils, Soils	Plants and Seed Dispersal	Nutrition and Our Bodies
Year 4	Grouping and Classifying	Science project and Scientists	Digestion and Teeth	Sound	Circuits	Materials and Water Cycle
Year 5	Properties of materials	Changes of materials	Life cycles	Sun, Earth and Moon	Science Project and Scientists	Gravity and Resistance
Year 6	Circulation and Lifestyles	Circuits	Light and Shadows	Organisms and Classification	Adaptation and Evolution	Science Project and Scientists
