

Dear Parents of Nursery children,

I hope you are all keeping well and coping with the very challenging circumstances we are all facing.

At school we have been busy planning the wider opening of School from 1st June 2020 and risk assessing everything, in order to make our environment as safe as possible for our children and staff, given the increase in numbers of children we have been asked to accommodate.

There are so many things to consider and re organise, the availability of staff being a key factor. Several of our staff will not be allowed to return to work on 1st June and it is therefore, with deep regret, that I have to inform you that we are unable to reopen our Nursery for the foreseeable future.

As time goes on our situation may alter. We are constantly receiving new directives from the government whilst circumstances for our children and staff in school can change.

We will notify you of any updates by email, the school website or on your mobile phones if you registered for Everbridge. Please keep a look out for these and continue to involve your child with their home learning which we are continuing to post on the school website.

I look forward to the time when we can fully reopen and welcome all our children back to St Anthony's to learn in the way that meets every child's needs.

Yours sincerely,

P.Wilson

Headteacher
