Key Worker Application

You are applying for a full time place in one of our Key Worker bubbles. Children offered a place would be expected to attend school every day. This is because staffing needs to be organised in advance and group numbers need to stay the same throughout the week. Please ensure that there is no one else at home who can help before you apply for a place as we are going to be stretched with staffing. Thank you.

Key Worker Job:

Reasons for needing a Key Worker Place:

Is your child requiring a school lunch or will they be bringing in a home packed lunch?

Please email admin@stanthonys.herts.sch.uk with the answers to ALL these questions. You will need to attach a photograph of proof of identity e.g NHS identity badge.

All application emails MUST be sent to admin **by Sunday 3rd January at 12pm** in order for the Senior Management Team to organise groups on Monday 4th January. Emails received after this time will be placed on a reserve list.
