

# Nursery Update

12/11/21

RE: This week we have been learning about remembrance day and how November is a month when we remember people who are no longer with us. We made poppies which will be put up on display in our RE area all month.

Maths: We have been focusing on shape this week. We made firework rockets out of different 2D shapes and completed shape puzzles.

Communication and Language: We looked at his, her, he and she this week and recapped positional words.

Theme: We have been learning a little bit about India. We read the Dawali story of Rama and Sita and looked at different ways Dawali is celebrated. We made our own craft lamps and fireworks and used chinks and glitter trays to trace firework patterns. Next week we will be learning about London. **Please can each child bring in a small empty box by Monday if possible or Wednesday at the latest. This could be a cereal box, tissue box or similar. We will be making London buses. Please make sure your box is clearly named.**
