

# Nursery Update

15/10/21

## RE:

On Monday we raised money for CAFOD. Thank you for wearing green and for your donations. The children listened to the story of Creation and learnt about how God made the world and then entrusted us with it's care.

This week we have also learnt what our school's name is—St Anthony and we have incorporated a prayer to him at the end of our daily prayer.

### Daily prayer

Dear God our Father we give you today  
All that we think, do and say.  
Amen  
St Anthony—pray for us.

## Theme:

This week we have been learning about Harvest. We read *The Little Red Hen* and learnt how to bake bread. We also created several different craft animals and thought about the sounds that different farm animals make. We counted different amounts of vegetables and matched them to the corresponding numerals and we made tractors by arranging and sticking down different shapes.

Next week we will continue our harvest theme and read *Rosie's Walk*. This book tells the story of a hens walk around the farm and contains several positional words e.g. under, behind, around etc...

## Library:

On Thursday the children visited our library and were able to choose a book to take home. This is a book for you to share with them. Please return next Thursday.

## Bobby and Charlie Bear:

Bobby and Charlie bear have now been sent home with two lucky children. When it is your child's turn please make sure you look after the bear and all its belongings, keeping everything clean and reporting any damages. Each bear comes with a diary for you to write in about what they got up to with you. You may also like to stick in some photos or draw some pictures.

## REMINDERS AND DATES:

## 5 Ways to Wellbeing

**To Connect:** Can you write a positive message for three different people?

Can you say something positive to three different friends or members of your family?

### Safety Request:

Please make sure when you have handed your child to Katy in the morning that you step back away from the Nursery doors.  
This is so that other Nursery children can come in safely.

Please also make sure that if you would like to talk to Katy either at the start or end of the day, that you wait until she has welcomed all the children or sent all the children home. This is for the safety of all the children.

Thank you
