

Nursery Update

Wc21.3.22

Theme: This week we have been learning about fire fighters. We thought about what items are hot, so shouldn't be touched and which are cold. We also used a fireman's ladder to practise our number recognition and made lots of firefighter craft. The children also learnt about lollipop crossing patrols and had a go at helping their friends cross our road safely. We learnt about how we should always stop, look and listen before crossing.

Key vocab: fire fighters, uniform, engine, station, axe, hosepipe, ladder, extinguisher, mask and helmet.

Next week we will learn about doctors, nurses and vets.

RE: This week we have not learnt about Lent, but instead learnt about Mother's Day. We have thought about all the wonderful things our mummy's do for us and said thank you to God for them. We hope you have a lovely day celebrating together on Sunday.

World Unite Day: Thank you for the wonderful effort you all put into the outfits on World Unite day. You put me to shame! It was so lovely to celebrate how diverse our school is and learn a little bit about each other's cultures.

Other information:

Friday 1st April is the last day of school before the Easter Holidays. It is also 'wear your pyjamas to school day' in exchange for a donation to the school's PFA.

After the Easter holidays, on Thursday 21st April it is 'wear yellow to school day'. We will be collecting donations in aid for the Catholic Children's Society.

We will be holding an Easter Bonnet competition. If you would like to enter please make an Easter hat, with your child, over the holidays, and wear it into school on Thursday 21st April (same day as yellow day!) There will be prizes to win for each class.

Wellbeing Challenge

TAKE NOTICE

Why not go to your local church and take notice of the Stations of the Cross? Perhaps say a prayer at each Station for the people of Ukraine.
