

# Nursery Update

28.1.22

RE: We have been learning about what 'in the name of the Father, Son and Holy Spirit' means. We have been talking about how although we cannot see God, He is always with us and we can talk to Him anywhere and anytime we like.

Numbers: I have been really impressed with how the children's counting and number recognition skills are coming along. Please take some time to roughly assess where your child is at from the list below and see how you can help us to support them at home.

My child cannot count up to 5 objects accurately —please spend time counting with them!

My child can count but does not know the numerals up to 5 or 10 —please practise numeral recognition with them.

My child can count and recognise numerals—please ask them to give you a required amount.

Theme: This week's theme has been 'under the sea'. In adult led group work we learnt about how important it is to keep our oceans clean by sorting objects into those that should be in the sea and those that shouldn't. We also played matching pairs by looking carefully at the different fish and matching their patterns. Finally we counted out scales onto numbered fish.

Next week our theme will be: pirates!

This terms MUST READ books are:

Room on the broom—Julia Donaldson

Dear Zoo- Rod Campbell

Oi Dog! - Kes Gray

We're Going on a Bear Hunt—Michael Rosen

Mr Wolf's Pancakes— Jan Fearnley

Whatever Next—Jill Murphy

We will regularly read these books in class until your child is so familiar with them that they could tell the stories themselves!

This week we challenge you to take part in the RSPB's Big Birdwatch challenge. Please see the email sent earlier this week for details!

**Big**
