

# Nursery Update

wc7.3.22

Theme: This week we have been reading Little Red Riding Hood. We talked about who the characters are and decided who were the heroes and who were the villains. We created lots of different crafts based on the characters including a paper plate grandma and a kitchen roll wolf! The children went on a hunt around the school to find food that Katy had hidden. We then had to put only the healthy food into a basket for grandma!

Next week we will be reading Three Billy Goats Gruff.

## Lent

This week marked the start of Lent. We celebrated Shrove Tuesday with pancakes and met Father Alex on Wednesday to give us a cross on our foreheads.

Next week we will learn about Palm Sunday.

## St Anthony's Book Day

Thank you for bringing in your favourite books. The Y6 children really enjoyed meeting all of the Nursery children and they had a lovely time sharing their books and playing in the outdoor classroom.

We also went on a book hunt around the school to find our 'must read' books that Katy had hidden.

## Ukrainian Red Cross Appeal

Thank you so much for your very generous donations. As a school we raised an incredible **£1,708!**

## Important reminders:

- Parents' evening is next Tuesday and Wednesday—please make sure you have booked a slot online and that you turn up on time as I will need to stick rigidly to the time table to fit all parents in.
- A Nursery Information Meeting was scheduled for 31st March, but has now had to be moved to Thursday 22nd April. This meeting will help parents to understand where their children should roughly be by now and what areas to work on in the lead up to Reception.
- Please check your emails for the letter about our school trip to Bekonscot.

## Well being challenge

### Connect

In light of recent world events, perhaps consider planting a sunflower seed—as this is the national flower of Ukraine.

We will also be planting some in Nursery next week.
