

Nursery Update WC 2/5/22

RE: This week we have been learning about Ascension. This is when Jesus ascended into Heaven to be with God. He told his disciples that whilst His body was leaving them, He would always be with them. He would send them a sign soon to show them that they were not alone. We talked about how Jesus is always with us, even though we cannot see Him.

Maths: We have been looking at 2D shapes and making our own shape flowers with them. We have also counted flowers and matched them to their numbered pots.

Thank you so much for all the donations of plastic bags, tissues and new knickers. You have been very generous.

Theme: This week we have continued our Spring theme and have been learning about flowers. We have read 'The Tiny Seed' by Eric Carle and learnt about what conditions a seed needs in order to grow. We have also learnt about the parts of a flower and planted some more seedlings into our vegetable beds. We will continue with this theme next week.

Vocab: seed, seedling, hot, cold, dry, rain, roots, stem, leaves, petals, flower, pollen, bee, beehive.

Reminders and Dates:

- Nursery meeting for Parents is on Thursday 19th May at 5pm.
- You will have received a pack about your child's transition into Reception. Please read it carefully, take note of all the important dates and fill in any forms as soon as possible.
- Nursery's school trip to Beckonscot Model Village is on Monday 4th July.
- School will be closed for staff training on Wednesday 6th July.
- Nursery coffee morning for all Nursery parents and carers will be held on Thursday 7th July at 11am.
- Nursery sports morning will be held on Friday 8th July at 10:30am on the main school field. If you would like to bring a picnic to have with your child afterwards in the Nursery garden then all are welcome.

Have a lovely weekend,

Katy, Sally, Diana, Alessia and Lisa
