

Friday 5th November 2021

Stories: This week our theme has been hot lands. We have read 'Handa's Surprise'. The children have been writing names of animals found in hot lands. They have also been sequencing the events from the story 'Handa's Surprise'.

Phonics: We have continued working on Phase 2 Letters and Sounds. This week we have been learning the sounds b and h. We have been trying to think of things that begin with these letters and been practising forming these letters as well.

This is how these letters should be formed, please ensure when practising you encourage your child to form them this way:

Next week we will be learning the sounds f and l.

RE:

In RE this week we have been learning about Judaism. The children have been sorting what they would find in a Synagogue and a Church.

Maths:

This week we have continued practising our counting and recognising numbers to 10. Please continue practising this with your child.

Home learning:

Home learning this week is sorting u and r sounds. There is also a jungle counting sheet to complete. Please stick both of these in their home learning book and return by Tuesday after half term.

Important information & reminders:

Please make sure you are sending your high frequency word book back on the right day every week. Please make sure you practise these regularly at home.

Journals have not been given out this week but this will be given out next week.

Please continue to practise the Christmas songs at home with your child, these were sent out before half term.

We have been informed that the letter formations have not been sending to you correctly so I have attached a sheet outlining how each letter is formed to clarify this. Please practise them in this way with your child.

The children really enjoyed the theatre trip to see Stick Man. They behaved really well and members of the public commented on how well they were sitting. Well done Reception!

Have a great weekend,

Shannon

FIVE WAYS TO WELLBEING

Practise these five actions daily
to help boost your wellbeing.

KEEP LEARNING

Set yourself a goal. Learn something new - a new word or random fact. Try a new hobby.

GIVE

Do something nice for a friend. Thank someone. Smile. Volunteer your time. Raise money for charity. Be a good role model.

TAKE NOTICE

Take time to be still, reflect and take some deep breaths. Notice what you're thinking and be aware of the world around you.

BE ACTIVE

Go for a walk or a run. Cycle, dance or play a game. Go to the park. Try a new activity.

CONNECT

Spend time with the people that make you smile. Write a letter or call someone you've not spoken to for a while.
