

Hello everyone!

We hope you are all well and happy and ready for this week's challenges.

RE:

Sunday 28th June is the Feast of Ss. Peter and Paul. Saint Peter and Saint Paul were two men who taught people about Jesus, the stories He told people and the miracles He performed. Peter and Paul met after Jesus had died.

Do some research to see what you can find out about the lives of these two men

Now try to find the hidden words in the word search below?

Saints Peter And Paul

I have competed well; I have finished the race; I have kept the faith.

You are the Christ, the Son of the living God.

Find the hidden words

English:

Read the beginning of the poem 'Bed in Summer' by Robert Louis Stevenson and answer the following questions:

Bed in Summer

In winter I get up at night
And dress by yellow candle-light.
In summer, quite the other way,
I have to go to bed by day.

I have to go to bed and see
The birds still hopping on the tree,
Or hear the grown-up people's feet
Still going past me in the street.

By Robert Louis Stevenson

1. **When** does the child in this poem have to get up in **winter**? **Tick one.**

- in the day
- at lunchtime
- at night
- in the afternoon

2. **Find and copy** 8 words in the poem that **rhyme**.

_____	_____
_____	_____
_____	_____
_____	_____

3. **What** does the child in the poem **hear** when going to bed in summer? **Tick one.**

- birds in the tree
- grown-up people's feet
- cars in the street
- children playing

4. Do you think the child in the poem prefers going to bed in **summer** or **winter**? **Why**?

5. **Which words** in the poem tell you that it is set in the past?

6. This is the last verse of the poem. Can you work out and fill in the missing words?

And does it not seem hard to you,
When all the sky is _____ and _____,
And I should like so much to _____,
To have to get to bed by _____?

Catching Butterflies

Blend together the sounds to read the words on the butterflies. Write the real words in the net below.

Can you write one or two sentences using all the words you have collected in your net?

One More and One Less Card Game

Instructions

1. Cut out the digit cards, shuffle them and spread them out face down.
2. On your go, turn over two cards. If the numbers are 1 more or 1 less than each other keep them. If not turn them back over.
3. The player with the most pairs at the end is the winner.

Have a go at these place value challenges:

Number Detectives

1. Sanjay's number has three tens and fives ones. What number does Sanjay have?

Isabelle's number has two tens more than Sanjay's number. What number does Isabelle have?

Number Detectives

2. Alex says...

My number has four tens.

Which numbers could it be? Give three examples.

Which numbers can't it be? Give three examples.

Number Detectives

4. Habib says...

When you add ten to any number, the ones always stay the same.

Is he right?
Explain your answer.

Number Detectives

5. Faith has 27 ones and Jessica has two tens and 9 ones.

Who has the largest number?
Explain your answer.

Number Detectives

6. Chen has four tens and 7 ones. He gives 20 to his friend.

He says...

I still have a number higher than 30.

Is he correct?
Explain your answer.

Number Detectives

7. Isla has 32p. She gets 7 lots of 10p for her birthday.

She says...

I have more than £1.

Is she correct?
Explain your answer.

Science:

What do plants need to grow?

Look at the photograph below.

Does the plant look healthy?

Why do you think that?

Just like people, plants need certain things to grow and be healthy. Can you work out what they need using the clues below? Draw and label a healthy plant with the things it needs to grow.
