### Year 1 Update

Dear Parents,

#### RE

This week we have been learning about Guru Nanak and completed a special booklet all about Sikhism. We listened to a story about how Guru Nanak trusted in God and taught people about giving people chances. Please see the Wellbeing Challenge and ask your child to tell you what they have learnt

#### English and Maths

This week we have been completing English assessments for spelling, grammar and reading and in Maths for arithmetic and reasoning.

Next week we shall be working on our reading skills and comprehension and we shall be continuing to reinforce different maths strategies.

#### Wonder words

New 'Wonder Words' will be up on the window next week.

#### General information

No homework or spellings this week as the children have worked really hard doing assessments so we feel they deserve a break and need to enjoy themselves!

Please make sure your child arrives promptly on Tuesday for our school trip and that they have a packed lunch that they will be able to eat in a short time. Please remember not to include any nuts or nut-based products such as Nutella or peanut butter.

The children took part in 'The Big Sing' on Thursday afternoon, we watched a concert live from Abbey Road Studios. The children sang and danced along.

**The Trim Trail is not to be used by the children before or after school.**

A reminder that at St Anthony's the children wear red socks only.

Please see below for information for this week's Wellbeing Challenge

God Bless

Ann and Frankie

## **5 Ways to Wellbeing**

### **Weekly Challenge 12**

#### **'Learn'**

Challenge 12 relates to our Sikhism Week.

This week we learned about Sikhism in our RE lessons.

We would like you to speak to your families about what you learned.

Here is some information you may want to talk about:

Guru Nanak

The Five Ks

The Gurdwara and

The Khalsa.

You might like to do more research about Sikhism in your books and show your teacher next week.
