

## Year 2

### RE:

This week in RE the children have looked at the gospels. They now are able to name all four of the Gospel writers and know that the Gospels are found in the New Testament. We discussed that the Gospels share Jesus' life and teachings.

The children watched a video of a priest reading the gospels, we spoke about what the priest, altar servers and rest of the parish do during the gospel reading. The children worked in small groups to re-enact this out.

Next week, the children will learn about Jesus' baptism according to Matthew.

### English:

Throughout English this week, the children have thought about adapting the story of *The Three Billy Goats Gruff*, to write an alternative version. They have had to think about the key characters, their setting and repeated refrain (for example, 'Who's that hopping across my bridge?')

The children have begun writing these and will continue their stories next week. It's great to see the children becoming more confident in using adjectives.

Next week, we are going to be looking at different sentence starters. When reading at home, it would be nice if you could look for any exciting sentence starters in your child's reading book.

### Maths:

During maths this week the children have been learning how to use the column method to subtract.

	3	6	
	1	2	
	2	4	

*It is important that we line up the tens and the ones, otherwise we might not get the correct answer.*

*We've got to subtract the ones first.*

	3	12	
	2	6	
	1	6	

*If the number we are taking away from has a smaller amount of one we must exchange one of the tens for ten ones.*

*Exchange: exchanging one ten for ten ones*

#### Extra information:

- A polite reminder, dogs should not be brought onto the school premises.
- The children all received their autumn maths assessments on Monday, you will find these in the children's reading records.
- Please see the attachment on School Council, if your child would like to be part of the school council, they need to have their speech ready by Tuesday.
- All children should have a pair of plimsolls at school.

Have a lovely weekend,

Megan and Amy ☺

## St Anthony's School Council

Would you like the opportunity to become a class representative for our school council?

Are you confident, well-organised and full of good ideas?

Then we need you!

What will being a class representative involve?

\*Recording the views of your fellow classmates.

\*Attending school council meetings and reporting back to your class.

If you would like to join our school council,

please prepare a short speech to present to your class next week.

Your class will vote and one member from each Lisbon and Padua class

(Year 1- Year 6) will be elected.

## Five Ways to Wellbeing

### Be Active

Take time every day to be active on the playground during break and lunch times by walking, running or playing a game with a friend.
