

6th May 2022

Year 2 Update

This week the children have carried some of their SATs exams. We have been so incredibly proud of how hard they worked. They have all shown great determination and focus and really put the effort in to go back and check their answers. The remaining tests will be completed throughout this month. Although we expect the children to try their best, it is important that they are not worried or nervous about sitting them; these tests are a tool we use to assess where the children are at, but we also look more broadly at their attainment throughout the year.

R.E

In R.E the children have started to think about Pentecost when the Holy Spirit descended on the disciples. The children have learned that just like the disciples, the Holy Spirit is with them too. They have reflected on a time they felt the Holy Spirit has helped them.

Key words: Easter, Ascension, Pentecost, reflect, disciples.

Next week: We would appreciate children bringing in a newsletter from their Church if possible to support our R.E lessons next week.

Science

The children have been learning about different microhabitats such as under a log, in the soil, under fallen leaves. The children carried out some field work, creating a tally of how many minibeasts they found in microhabitats around our school grounds. They used this information to create a pictogram.

Key words: Microhabitat, minibeasts, pictogram

Next week: Children will be comparing two habitats and discussing why some animals are best suited to particular habitats.

Extra information:

- We would appreciate examples of newsletters from your local Church next week to support our R.E lessons.
- If you sent off the form for the jubilee tea towels and mugs you can now order these online. Please note the deadline is this **Sunday 8th May**.
- Friday 20th May is a mufti day, we kindly ask children to bring in a box of biscuits which will be put towards tombola prizes.
- Tuesday 24th May we will be celebrating the Queen's Platinum Jubilee. Children can wear red, white and blue or dress as a queen, prince or princess.

Thank you for your continued support. Have a lovely weekend,

Amy and Megan ☺

Wellbeing Challenge

If you haven't had an opportunity, we invite designs for a wellbeing logo/symbol that is unique to St. Anthony's.

Please include ideas relating to the 5 key parts of Wellbeing:
