

Year 2 Padua

Thank you for all coming to Parents' Evening, it was lovely to meet you and discuss your child's achievements during the first term.

RE

Throughout the week, the children have thought about some of the symbols associated with baptism including the Holy water, white garment and the candle. On Thursday, Father Alex from Holy Rood came into school and acted out a baptism for the children. They thought about the words that were spoken, the actions that took place and the importance of the symbols.

English:

At the beginning of the week, the children planned instructions for looking after their ghost. They recapped their learning before half term on imperative verbs and conjunctions. This week the children have written their instructions. They have used a green pen to edit their writing.

The wonder words for next week are:

Crests
Paraded
Remarkable
Prediction
Ambitious

Maths:

This week the children have been learning to apply their knowledge of doubles to halves. For example, if double 3 is 6, the half of 6 is 3. Children knowing their doubles to 10 are crucial. The children then recapped their learning of place value and how this can be represented in different ways. They then applied their understanding to help them order numbers.

For example:

Extra information:

- The weather is getting colder; please make sure your child brings a coat to school.
- Children are not to wear earrings to school.
- Please make sure that your child has a book bag for school rather than a backpack.

Have a fantastic weekend,

Megan 😊
