

Year 3 Half term Update – 25/05/2020

Dear Parents,

We have now reached 'half term' week. Please make sure you take time to rest and enjoy the sunshine.

We hope you enjoyed taking part in the 'Joy of Moving' virtual festival activities last week. This activity booklet was provided by Watford FC and can still be accessed on the class home learning pages. There are some optional tasks taken from the booklet below which you may wish to complete over half term. You could continue to explore online exercise including Imoves, Supermovers or Joe Wicks. You could also use the Challenge Tuesday cards which are on the Coronavirus update page on the school website.

We have not written any subject specific tasks this week as it is half term week. Please continue reading and recording in the homework diary as much as possible. Also continue practising times tables using Times Tables Rockstars.

Please continue to check the school website 'Coronavirus Update' page regularly.

We hope you are all safe and well and look forward to seeing you all soon.

Best wishes

Aimie and Laura

OPTION A

CAN YOU CREATE YOUR OWN GAME WITH YOUR FAMILY?

Now you have spent time playing different Joy of Moving games, can you create your own game to play? This can either be a game to play individually (on your own) or with your family or even your friends when you are able to see them again.

Once you have created your new game and you have enjoyed playing it, ask your parents or carers to video you playing the game. They can then post the video on social media to be in with a chance of winning £500 worth of Joy of Moving sports materials for your school. When posting it on social media, make sure your parents use the hashtag #JOMHomeFestival.

OPTION B

DESIGN A POSTER TO ENCOURAGE YOUR FRIENDS TO BE ACTIVE.

Can you design a poster which will encourage your friends to lead an active lifestyle?

Make your poster as colourful as you can. Perhaps include pictures of children having fun and playing games. Can you think of different ways you and your friends can stay active? Make sure you say why it is important to do physical activity.

Perhaps use some of the information from the poster below to help you design your poster.

Once you have completed your poster, ask your parents or carers to put it on social media using #JOMHomeFestival. The best poster will win £500 worth of Joy of Moving sports materials for their school.
