

## Year 3 Lisbon Update 10.12.21

In RE this week, the children have learnt about the stories of the Annunciation and the Visitation. As we prepare for the coming of Jesus, we remember and hear about the special visits both Mary and Elizabeth experienced. Next week in RE, the children will be exploring Luke's account of the Nativity and the visit of the shepherds.

In English, the children have completed their learning on the story of Mini Rabbit not lost. They have applied their knowledge of inverted commas to add dialogue between characters in their writing and have written a description of the final part of the story.

In Maths, the children have practised solving word problems using the inverse and have moved onto using column method for addition. Some important vocabulary we have explored this week is as follows: inverse, exchange and regroup.

5 ✂

I subtract 9 from a number. Now it is 123.  
What is the number I started with?

In this column addition question, the 10 ones are exchanged and regrouped into 1 ten, which is recorded at the bottom of the tens column.

In Science, following on from last week's Science work, the children have investigated if all metals are magnetic.

### Spelling

This week the children have practised adding le to words. Please see the rules below.

- Where the word contains a short vowel before a consonant, that consonant is doubled before adding *le*.
- When the consonant is followed by two different consonants, there is no need to double the final one, as in *jungle* or *jingle*

### Egyptian Day

A reminder that our Year 3 Egyptian day will be taking place on Thursday 16<sup>th</sup> December. Please see the email that was sent out and last week's update for further information.

### Homework

For homework this week, the children have been given a Maths activity to complete on column addition. The questions need to be completed in their Maths homework book. This is due on Thursday.

### School equipment

A reminder to please ensure that your child has all the equipment listed below in their pencil case, as lots of the children do not have the right equipment.

- 30cm ruler
- Green biro
- Writing pencils
- Rubber
- Glue stick

- Highlighter
- Colouring pencils
- Sharpener

### Messages

- As the weather is now getting colder, can you please ensure that your child has a pair of light grey jogging bottoms for outdoor games in their PE kit. Please label these with your child's name.
- A reminder that **no earrings** should be worn in school and long hair needs to be tied up.

### Diary Dates

- **Christmas Jumper Day**  
On **Wednesday 15<sup>th</sup> December** we will be raising money for a global charity - Save the Children. Children may wear their own clothes and a Christmas jumper to school in exchange for a donation towards Save the Children. Please give any donations to the class teachers in the morning. Thank you.
- Thursday 16<sup>th</sup> December- Year 3 Egyptian day
- Friday 17<sup>th</sup> December- Christmas class parties- children to wear own clothes to school. Further details to follow

Thank you,  
Have a great weekend,  
Laura 😊

## Five Ways to Wellbeing

### **KEEP LEARNING**

The theme of this week's challenge is mathematical vocabulary.

Starting with the word, "Mathematics", make up a chain of 10 mathematical words so that each word starts with the last letter of the previous one.

For example,

**Mathematics, Subtract, Triangle...**
