

Year 3 Lisbon Update 9.7.21

We would like to say a big thank you to all the children for their excellent behaviour on our school trip to Reveley Lodge on Monday. They had a wonderful day and were able to share lots of their knowledge about the Victorians and further develop their understanding of this historical era.

In RE this week, the children took part in a collective class worship, focusing on their special place in the world and how it makes them feel. They have also learnt about some of the special places for Jesus and have tried to think about places that may be similar for them.

In English, the children have planned their own fable and have thought carefully about how their story will relate to their chosen moral. They will complete their written work next week.

In Maths, they have completed further revision work on place value problem solving.

Homework

For homework this week, we have asked the children to speak to you about their school trip to Reveley Lodge. Please see Teams for further details.

Messages and diary dates

On Monday 12th July we are excited to welcome Kezia and Emily from The National Youth Orchestra of Great Britain, who will be sharing a musical performance and other creative music-making activities, exchanging musical hope and ideas with our Year 3 classes, as part of #NYOHopeExchange🎵

The children are incredibly lucky to be invited to take part in an exciting programme organised by the National Youth Orchestra.

NYO's theme for 2021 is 'hope'. Hope gives us our image of what lies on the other side of our difficulties, hope helps us to keep going through uncertainty. The workshop will be run by two of the NYO's musicians, the workshop explores ways in which music embodies hope for a better world.

If your child plays an instrument that is easy to transport please could they bring it with them to school on Monday.

- Please send in a plastic bag with your child on Wednesday as their exercise books from Year 2 will be being sent home.
