

Year 3 Padua Update 19. 11.21

In RE this week, the children have been learning about Baptism and the promises made during this important Sacrament and the symbols associated with this ceremony.

In English, the children have continued their learning on 'Paper Bag Princess'. This week, we have discussed what we like and dislike about the story. The children have also focused on the characters in the book using adjectives to describe their personality traits and providing evidence of this by referring to the text. In grammar, the children have learnt how to use a or an correctly. Next week, we will be focusing on using conjunctions and time connectives and then the children will then start to plan their diary entry for their final piece of written work.

In Maths, the children have learnt how they can use addition facts to support their work and have practised adding 2 and 3 digit numbers to a tens number, using the method below. They also used rounding and number complements to help them add larger numbers together.

In Science, the children have continued their learning on forces. This week, we have focused on friction and have made predictions on which surface will have the least and most amount of friction in an experiment we will carry out next week. To ensure the experiment is fair we also considered which variables will stay the same and which variable we will change.

$$2 + 3 + 4 + 5 + 6 + 7 + 8 =$$

How could you reorder these numbers to make it easier to calculate?

$$7+3=10$$

$$8+2=10$$

$$6+4=10$$

$$30+5=35$$

Homework

For homework this week, the children have been given a maths activity to complete on addition with rounding. As we are still waiting for Teams to be updated, this has been sent out on a sheet with their maths homework book. Please complete the work in their books and not on the sheet.

Messages

- As the weather is now getting colder, can you please ensure that your child has a pair of light grey jogging bottoms for outdoor games in their PE kit. Please label these with your child's name.
- Your child can bring in some 'spares' clothing which can be worn at lunchtime when playing sports outside, so that their uniform doesn't get dirty, e.g. a pair of tracksuit bottoms and a jumper. These can be sent into school in a labelled plastic bag.
- A reminder that **no earrings** should be worn in school and long hair needs to be tied up.
- Reading books and your child's homework diary should be in their bag every day.

Diary Dates

- Friday 26th November- Occasional Day- School closed

Thank you,
Have a great weekend,
Corinne 😊
