

Year 3 Lisbon Update 5.11.21

In RE this week, the children have begun their new topic about Promises. They have thought carefully about some of the groups/clubs they belong to and the promises involved. We have discussed why these promises are important. The children listened carefully to a story about a boy who had joined a karate club. They thought about what he found difficult about his new group and the promise he had to keep and why. Next week they will be beginning their learning about the Sacrament of Baptism and will explore the story of Jesus' Baptism.

In English the children have worked hard to edit their final piece of diary writing which they completed a final draft for our class display. They also made some fantastic paper bag princesses as part of our display work. As part of our work on Black History Month, the children have learnt about Mae Jemison, who was the first black African American woman to go to space. We explored the text 'Mae Among the Stars' and the children completed some lovely writing. Next week, we will be beginning our new text, 'Mini Rabbit Not Lost'.

In Maths, the children reviewed rounding to 10 and 100. They have also been estimating and measuring length and really enjoyed measuring different objects around the classroom. To support their understanding of measuring mass, they have practised reading scales. Please see some examples of questions below. Next week they will be estimating and measuring mass and will be using their knowledge of number facts for addition.

Homework

Unfortunately, there are issues with Microsoft Teams so this week we will be sending a copy of the homework home with the children's maths books. Please follow the instructions carefully on the sheet provided.

Messages

- Your child can bring in some 'spares' clothing which can be worn at lunchtime when playing sports outside, so that their uniform doesn't get dirty, e.g. a pair of tracksuit bottoms and a jumper. These can be sent into school in a labelled plastic bag.
- A reminder that **no earrings** should be worn in school and long hair needs to be tied up.
- Reading books and your child's homework diary should be in their bag every day.

Diary Dates

- Friday 26th November- Occasional Day- School closed

Thank you,

Have a great weekend,

Laura 😊

FIVE WAYS TO WELLBEING

Practise these five actions daily
to help boost your wellbeing.

KEEP LEARNING

Set yourself a goal. Learn something new - a new word or random fact. Try a new hobby.

GIVE

Do something nice for a friend. Thank someone. Smile. Volunteer your time. Raise money for charity. Be a good role model.

TAKE NOTICE

Take time to be still, reflect and take some deep breaths. Notice what you're thinking and be aware of the world around you.

BE ACTIVE

Go for a walk or a run. Cycle, dance or play a game. Go to the park. Try a new activity.

CONNECT

Spend time with the people that make you smile. Write a letter or call someone you've not spoken to for a while.
