

Year 3 Padua Update 25.3.22

RE

We have been saying prayers for peace in Ukraine and we thought about the people of that country every day during our Prayers and Liturgy.

English

We continued with our reading comprehensions and also did a Spelling and Grammar Assessment.

Maths

In Maths, we have continued to use arrays to help us develop our knowledge of the 2, 5, 10, 3 and 4 times tables. This week we have focused on using arrays to help us with multiplication and division facts.

The children did a maths trail with the World Unite theme.

Vocabulary- multiples, arrays, division, share, repeated addition

Complete the division fact

_____ + 3 = _____

Complete the division fact

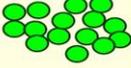

_____ ÷ 3 = _____

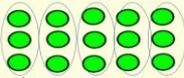

Ben makes an array to work out

$$15 \div 5$$

First he gets 15 counters.

He then sorts them into 5 groups

Next he counts how many are in each group to get his answer.

$$15 \div 5 = 3$$

Year 3 and 4 Play

The children have been working very hard on rehearsals for *Jonah and the Whale*. They performed to the Padua and Lisbon children on Thursday and Friday.

We are looking forward to welcoming you to the production next week. There will be teas and coffees available after the play. There will also be a fundraising collection after the play to purchase further resources for the classes.

Design and Technology

The children are making moving monsters using pneumatics.

St Anthony's World Unite Day

It was excellent to see all the children's costumes and different flag colours on Tuesday for our World Unite Day. We had special assemblies to mark the occasion and at a time of difficulty for the world, this positive expression of togetherness and peace was just what we all needed to see.

TAKE NOTICE

Why not go to your local church and take notice of the Stations of the Cross?

Perhaps say a prayer at each Station for the people of Ukraine.
