

R.E

This week in R.E we have been thinking about our world and the different ways that we can make sure that we are looking after it. This linked well with our CAFOD Day on Monday. All of the children have made a promise of something that they feel they can do to help the planet. Please speak to them about what their promise was. Next week in R.E we will be learning about Joseph and the type of man that he was.

English

In English this week we have been finishing our adventure stories. The children have written some really imaginative pieces of work this week and they have been able to edit their writing independently. Their published stories will be going on display in the classroom. Next week in English we will be learning about a new form of poetry, Kennings.

Maths

This week in Maths we have been continuing with our work on column addition and subtraction. We have been using these methods to answer word problems. Next week we will be moving on to learning about number sequences and how to find out the pattern.

Science

In Science this week we have been learning about endangered species. The children were all able to research a different animal and they were able to find out the conservation status of the animal and what is endangering it. We have now come to the end of our Science topic for this half term. After half term we will be starting our next topic called 'Projects and Scientists'. The children will be taking part in lots of different experiments during this topic.

Get Ahead!

After half term we will be learning about a very famous scientist called Thomas Edison. Please use the link below to find out a bit about his life and his inventions.

Homework

The children have all been given a hardcopy of their homework.

**Rosary-** The 4<sup>th</sup> Mystery of Light- Due Tuesday 19<sup>th</sup> October

**Maths-** Column addition and subtraction- Due Tuesday 19<sup>th</sup> October

**Spellings-** Practising and writing sentences for the words that they have been given- Due Thursday 21<sup>st</sup> October.

## 5 Ways to Wellbeing

**To Connect:** Can you write a positive message for three different people?  
Can you say something positive to three different friends or members of your family?

### Additional information

- Parents' Evening will be held the first week back after half term:  
Tuesday 2<sup>nd</sup> November- Late parent's evening 6pm-9pm  
Wednesday 3<sup>rd</sup> November- Early parent's evening 3:50pm-6:30pm
- On Monday 18<sup>th</sup> October we are inviting you all to come and see our Harvest performance at 9:15am. It would be lovely to see you there if you can make it.
- School will break up on Thursday 21<sup>st</sup> October at 2:30pm. School is closed for an INSET day the following day.
- Please can we send a reminder that the trim trail should not be used before and after school.

Have a lovely weekend,

Sarah and Abbie ☺
