

English

This week in English, we have been publishing our adventure stories. These will be on display in the classroom after half term. We have also been completing some research for Black History month. The children could choose a significant person to complete a fact file about.

Maths

In Maths this week we have been focusing on number sequences. We have been completing number sequences and finding errors in other number sequences. We have also completed a maths assessment of things that we have covered so far this half term. After half term we will be learning about arrays. It would be great for the children to practise their times tables over half term in preparation for this.

Rosary homework

All of the children have been sent home with a hard copy of the rosary homework. We are asking the children to create their own set of rosary beads out of a material of their choice. There is more information and some examples on the sheet that the children have.

These will then be displayed in the Year 4 corridor.

Additional Information

- If you haven't yet signed up for parents evening you have been emailed a link to do so.
- Parents evening is: Tuesday 2nd November 6pm-9pm and Wednesday 3rd November 3:50pm-6:30pm
- Please can you send in any completed form for the Xmas for Schools cards by **Monday 1st November**. We cannot send these off any later than that date.
- As the weather is becoming increasingly colder please send your child in with a pair of grey joggers for outdoor P.E.
- The children can have a set of spares in school for outdoor clubs at lunchtimes. These will be sent home with the P.E kit at the end of each half term. Please make sure they are clearly labelled.

Have a lovely half term,

Sarah and Abbie ☺
