

R.E

In R.E this week we have started our new topic called 'Eucharist' we have started this by learning about the beginning of Mass and why we have an Introductory Rite. The children could use knowledge from topics that we have learn about before to help them with this. Next week we will be learning about Shrove Tuesday and Ash Wednesday in our lessons.

English

In English this week we have been continuing with our work on play scripts. The children have now written 3 scenes of the traditional story of Little Red Riding Hood. Next week the children will be thinking about what they want their ending to be and they will be finishing their scripts.

Pre teaching

Next week in Grammar we will be re-capping some of our learning on expanded noun phrases. The children could watch the video below to remind them of what an expanded noun phrase is.

Maths

In maths this week we have been learning about money. We have been learning to convert pence into pounds and how to add money together, ensuring that we think carefully about the value of each number. We have also been practising giving change and answering word problems about money.

Pre teaching

Next week we are going to be learning about fractions. We will be learning to find a fraction of an amount.

Please watch this video to help with the method we will be learning next week -

Science

In Science this week we have started our new topic called 'Sound'. We have been learning about where sound comes from and how it travels. Next week we will be investigating this using different objects and instruments

Pre teaching

There is a video below to go over how we hear different sounds and how they travel through the air to our ear. This would be great for the children to watch as they will learn some of the new vocabulary that we will be covering.
