

R.E

In RE this week we have been finishing off our topic about Saint Paul. We have also been learning two new songs for our Mary procession that the children took part in on Friday. This was a lovely time for them to listen to other songs that other classes had learnt and have some time to reflect.

Night of Light at Holy Rood Church

The Sacrament of Confirmation will take place on Sunday 3 July at the 12.30pm Mass and many of our ex-pupils will be involved. Prior to this on Friday 10 June, between 8pm and 10pm, our confirmation candidates will be leading the parish in a Night of Light. The church doors will be opened welcoming people to light a candle, say a prayer or to sit in peace to enjoy the church surroundings. Confession and Exposition of the Blessed Sacrament will be available. The night will be concluded with Benediction, given by His Eminence Cardinal Nichols. Please come along to support our young people and the desire they're showing to receive the gifts of the Holy Spirit at Confirmation.

English

In English this week we have started writing our own myths. The children have been working really hard at including extra detail in their writing. We will continue with these after half term.

**Pre teaching**

The children will be continuing with their myths after half term. The website below gives them some helpful hints of how to add detail into their writing and how to make their myth authentic.

Maths

In maths this week we have been converting different units of measurement. For example millimetres, centimetres and metres and we have been converting between millilitres and litres. The children were able to use their previous learning about place value and multiplying by 10, 100 and 1000 to support with this. After half term we will be converting grams and kilograms.

**Pre teaching**

Next week we will be learning about converting measures. Please use this link to prepare yourself for next week.

Homework

The children have been given their maths homework on a sheet this week as they need to complete this on the sheet. All other homework has been put on Microsoft Teams.

Rosary home learning is due Tuesday 7<sup>th</sup> June 2022.

Platinum Jubilee day

The children all really enjoyed taking part in our Platinum Jubilee day. They completed lots of different activities such as making crowns, taking pictures with the queen and they created bunting.

## Wellbeing Challenge

### **Connect**

Enjoy the sunshine and the Jubilee celebrations!

Have a lovely half term,

Sarah, Abbie and the Year 4 team 😊
