

R.E

This week in RE we have been thinking about how we can live life in the light of God. We have written ways in which we live life in the light and we have researched a remarkable person and thought about how they live their life in the light. We have also written prayers to the Holy Spirit to ask for support with living our lives in the light. Next week we will be moving on to learning about Advent.

English

In English this week we have been learning about Newspaper reports. We explore the features of a newspaper report and then have created a plan for our own newspaper report that we will be writing next week, based on the story 'The King who Banned the Dark'. Next week we will be basing our learning on a short video with a Christmas theme.

Maths

This week in Maths we have been learning about time. We have been learning to tell the time to 5 minute intervals and then to minute intervals. We also discussed months, years and days and how these are related. We have also begun discussing am and pm.

Next week we will be recapping learning about adding and subtracting fractions with the same denominator from Year 3 and we will be completing some end of term assessments on what we have learnt so far.

Science

In Science this week we have conducted our second experiment. We explored how if vinegar, lime juice or lemon juice are mixed with bicarbonate of soda it can create carbon dioxide to blow up a balloon. Next week in science we will be investigating what white light is and we will be thinking about what happens when you mix all of the colours of the rainbow together.

Homework

The children have been given a hard copy of their homework.

Maths: Due Tuesday 7<sup>th</sup> December 2021

Rosary: Due Tuesday 7<sup>th</sup> December 2021

Spellings: Due Thursday 9<sup>th</sup> December 2021.

Additional information:

- We would like to invite you to attend our class mass on Friday 10<sup>th</sup> December at 2:30pm. We will be taking part in a mass with the Year 1 children.
- Please continue to send the children in with spares for lunchtimes. This is to save their uniform becoming muddy at playtimes.
- We would like to remind all of the children that they cannot wear nail varnish to school or wear earrings.

Have a lovely weekend,

Sarah and Abbie ☺

## Five Ways to Wellbeing

### CONNECT

As we move into the season of offering special greetings,  
write a goodwill card for someone this week.
