

R.E

In R.E this week we have been learning about the importance of Shrove Tuesday and Ash Wednesday. The children have all written a Lenten promise and these have been put on display in our R.E area. We have also been learning about the Penitential Rite and we have been discussing what this prayer is and how we could re-write it to reflect our lives. Next week in R.E we will be moving on to learning about the Liturgy of the Eucharist.

English

In English this week, we have been writing our own scenes for our play script which is based on Little Red Riding Hood. The children all planned two scenes of their own where they decided what was going to happen at the end of their play. Next week in English we will be editing our play scripts and then moving on to setting descriptions.

**Pre teaching**

Next week in Grammar we will be re-capping our learning on fronted adverbials. Please use the link below to watch a video to remind ourselves what they are and how we use them.

Maths

In maths this week we have been continuing with our learning on fractions. We have been finding fractions of an amount. Please see the example below.

$$\frac{3}{7} \text{ of } 56 = 24$$

$$56 \div 7 = 8$$

$$8 \times 3 = 24$$

Next week in maths we will be moving on to equivalent fractions.

Science

In Science this week, we have continued with our learning on Sound. We have been learning about how sound travels and that it travels via vibrations. Next week in Science we will be moving on to learning how sound travels to our ears.

**Pre teaching**

Next week we will be learning about how sounds are detected by the ear drum. Below is a video for the children to watch to help them understand how this happens.

### **Healthy Food Leaflet**

The children received an information leaflet today that Channel 4 have produced about healthy foods.

### ***St Anthony's World Unite Day***

On **Tuesday 22nd March** we have organised a World Unite Day. We feel very strongly that the diversity within our school is the reason why St Anthony's is such a special place to be every day.

With everything that the children may be exposed to in the news at the moment we felt we wanted to take an opportunity to celebrate the wonderfully, rich diversity of all the nationalities and cultures that make up the community of St Anthony's School.

We would love to see the children come to school on the 22<sup>nd</sup> March dressed in clothes that represent their national costume or colours of the flag that are significant for their family.

As our prayers continue for peace in the world we also look forward to this special day.

Have a lovely weekend,

Sarah, Abbie and the Year 4 team 😊
