

R.E

This week in R.E we have started our new topic that is all about being chosen. We have discussed a story about two people being chosen and how they reacted to this. The children all thought about time in their life when they were chosen and how they felt at this time. Next week in R.E we will be thinking about the time when King David was chosen and how he would have felt.

English

In English this week we have been learning about kennings and the children have written their own kennings that the children shared with their partner. Next week in English we will be moving on to learning about a new book called *The King who Banned the Dark*. The children will be completing some persuasive writing based on this book.

Maths

In Maths this week we have been learning about multiplication facts. We have used arrays to represent multiplication calculations. We have also been recalling multiplication fact families and learnt about factors.

Next week in maths we will be moving on to learning about the formal written method for multiplication. The children will be multiplying a number by 1 digit and 2 digits.

Homework

Unfortunately there is still a technical issue with our Microsoft Teams. Therefore the children will receive a hardcopy of their homework again this week.

Rosary and Maths- Due Tuesday 9th November

Spellings- Due Thursday 11th November

Additional Information

- As the weather is getting increasingly colder and wetter, we encourage the children to bring a set of spare clothes that they can wear at lunchtimes to avoid their uniform becoming wet and muddy.
- Please ensure that your child has a jumper and/or coat for school as it is very cold.

Wellbeing challenge

FIVE WAYS TO WELLBEING
Practise these five actions daily to help boost your wellbeing.

- KEEP LEARNING**
Set yourself a goal. Learn something new - a new word or random fact. Try a new hobby.
- GIVE**
Do something nice for a friend. Thank someone. Smile. Volunteer your time. Raise money for charity. Be a good role model.
- TAKE NOTICE**
Take time to be still, reflect and take some deep breaths. Notice what you're thinking and be aware of the world around you.
- BE ACTIVE**
Go for a walk or a run. Cycle, dance or play a game. Go to the park. Try a new activity.
- CONNECT**
Spend time with the people that make you smile. Write a letter or call someone you've not spoken to for a while.
