

R.E

In RE this week we have been learning more about the story of Pentecost. We have finished retelling the events in our own words and have thought about how the Holy Spirit helped the disciples to be courageous. We then thought about how we can use this in our everyday lives and how the Holy Spirit can guide us and give us courage. Next week in RE we will be learning about Phillip and Paul, who were both followers of Jesus.

English

In English this week we have continued our learning about Greek Myths. We have been learning about different mythical creatures and written a fact file for a mythical creature. We have also been learning about Greek Gods and have completed some research about them. Next week in English we will be learning about Greek Heroes.

Pre teaching

Next week we will be learning about different Greek Heroes. Please use the link below to learn more about them.

Maths

In maths this week we have continued our learning on fractions and recapped how to convert fractions between mixed numbers and improper fractions. We then moved on and have been recapping the formal written method for multiplication, focusing first on multiplying by one digit and then by two. We have also looked at some word problems involving multiplication.

Pre teaching

Next week we will be completing some work division using the formal written method for short division. Please use the link below to prepare.

Science

In Science this week we have begun our new topic on electricity. We have learnt about the two different ways that appliances receive electricity, mains and battery. The children were able to sort the different appliances. We have also started our learning on electrical circuits. The children have tested different circuits to see if they would work.

Pre teaching

Next week in Science we will be learning about where electricity comes from. The link below explains the different types of electricity.

New Vocabulary that we have used this week

<u>English</u>	<u>Maths</u>
Myth Beast God/Goddess Centuries	Multiply Digit Tens Ones Hundreds Exchange

Wellbeing Challenge

This week please continue to design your own '5 Ways to Wellbeing' logo which we can use around the school. Remember that the children can come up with any idea they like but their logo must include the 5 key themes: Take Notice, Connect, Be Active, Keep Learning and Give.

Homework

All home learning will be put on Teams.

Maths home learning is due Tuesday 10th May.

Rosary home learning is due Tuesday 10th May

Spelling home learning is due Thursday 12th May

Additional Information

- It's lovely to hear that some of the children have taken part in the April Art challenge set by our Art co-ordinator Amy. Please send these in next week.
- Please can you ensure that your child has a blue pen to use in class.

Have a lovely weekend,

Sarah, Abbie and the Year 4 team ☺
