

R.E

This week in RE we have been learning about Lent. The children have thought about why we celebrate Lent each year and the importance of Lent. We have also focused on the three main Lenten practises- Prayer, Almsgiving and Fasting. We have discussed why each of these practises are important and why we try and include them throughout the season of Lent. Next week we will be learning about the events of Holy Thursday and Good Friday.

English

In English this week, we have been recapping some of the grammar topics that we have covered so far. We have completed work on fronted adverbials and prepositions. It helped the children to re-cap these and we are now hoping that they will try and include these in their writing. Next week in English we will be completing a setting description about the zoo. We will also be re-capping subordinate clauses in our Grammar lesson.

Pre teaching

Next week in Grammar we will be re-capping our learning about subordinate clauses. Use the link below to remind yourselves about these.

Maths

In maths this week, we have continued with our learning on decimals. We have been learning about adding, subtracting and comparing decimals.

Next week in maths, we will be moving on to learning about data, focusing mainly on pictograms.

Pre teaching

Next week we will be learning about pictograms. Please use the link below to learn some more about pictograms.

Science

This week in Science we have thought about how sound travels. The children have completed a science experiment to show the effect of different materials and distances have on the vibrations of a sound. Next week we will be learning about high and low pitch.

Pre teaching

As we are learning about high and low pitch please use the link below to prepare for the lesson.

New Vocabulary that we have used this week

<u>English</u>	<u>Maths</u>
Fronted adverbial	Decimal point
Noun	Tenth
Verb	Hundredth
Adverbs of time, manner, frequency, place and possibility	Whole number
Comma	Partition

Year 3 and 4 Performance

We are looking forward to welcoming you to our production of Jonah and the Whale next week. There will be tea and coffee available after the play; there will also be a fundraising collection after the play to purchase further resources for the classes

We are really proud of how hard all of the children have worked on our play and the dates for the shows are below:

Year 4 Lisbon: Wednesday 30th March

Year 4 Padua: Thursday 31st March.

We would also like to say thank you for all of your help with the costumes for the play.

Wellbeing Challenge

TAKE NOTICE

Why not go to your local church and take notice of the Stations of the Cross? Perhaps say a prayer at each Station for people of Ukraine.

the

Homework

There is no homework this week. We would like the children to take time to relax and enjoy the nice weather as we have had a very busy few weeks.

Additional Information

- There will be a whole school pyjama day on Friday 1st April. The children are all able to wear the pyjamas to school and we are asking for them to each bring in £1.
- This week was Neurodiversity Week; activities have taken place in class to celebrate this.
- We will be holding a yellow day on Thursday 21st April.
- Please check to ensure that your child's uniform is correct and in good condition – including plimsolls.

Have a lovely weekend,

Sarah, Abbie and the Year 4 team 😊
