We Grow and Learn with Jesus

Headteacher: Mrs. P.M. Wilson M.A.

27th March 2020

Dear Parents,

Currently our school is open **only** for 'vulnerable' children and children of 'critical workers' to the government's COVID-19 response.

The government guidance remains that even for these children, the risk of spreading, or becoming infected by, this virus, is greater in an education setting. Therefore, if you can ensure that your child is able to be safely cared for at home, then you should do so. This will limit the chance of the virus spreading as people can spread this virus without showing any symptoms.

We aim to stay open for as long as possible but, in order for this to happen, we must restrict places to children of critical workers who absolutely need their children to attend. Days when you are not on shift and are at home, your children **must** stay there with you and **not** be sent in to school.

Thank you all for your cooperation with this. I look forward to the time when we can safely resume our normal routines once again.

Yours sincerely,

P Wilson.
