Dear Parents,

I hope this letter finds you all safe and well during these unprecedented times.

As you will know, you received a letter at the start of lockdown to advise you that work set from teachers would be posted on the school website. We are pleased with the positive feedback we have received from parents regarding these weekly updates.

The teachers have spent time ensuring the work set is fun, interesting whilst enabling your child to cover topics that have been planned for the summer term.

Teachers are not able to make 'Zoom' calls to pupils as we have been following County guidance, which does not recommend this type of contact.

School has remained open throughout the lockdown including Easter Holidays for vulnerable children and children of Key Workers; this also included Bank Holidays if required. This has been on a rota basis to ensure that enough staff continue to be available in order to keep the school open.

As soon as we receive any updated information from the Department of Education regarding changes to lockdown, we will be putting plans into place for our return to school and then notifying parents immediately.

Yours sincerely,

P.M. Wilson
