## ***We Grow and Learn with Jesus***

8<sup>th</sup> January 2021

Dear Parents/Carers,

I hope you and your family are well and coping in these strange and worrying times.

On behalf of the staff we would like to thank you for all the support you have given towards our Remote Learning using Microsoft Teams. As a parent I completely understand the challenge of trying to juggle work and home learning - it can be very frustrating and overwhelming at times. We are really pleased with the level of engagement your children have shown this week. They are trying very hard and producing work that teachers have been really pleased to read.

There will of course be difficulties getting used to a different way of learning and if we can help in anyway please don't hesitate to ask.

We have had a huge demand for Key Worker places so our staff are currently trying to ensure remote learning is continuing whilst keeping Key Worker children in bubble groups.

I would like to offer my thanks to the fantastic staff team we have at St Anthony's as they have had to change all their planning this half term at just a moment's notice.

We will continue to keep you all in our prayers at this time and we hope that the positive news of vaccines will mean that we can all be together again soon. We miss all the children and want you to know we are thinking of them all.

God bless and take care,

Elaine Harrold

Acting Headteacher
