

5 Ways to Wellbeing Weekly Challenge 1

There are many logos for the 5 Ways to Wellbeing. We would like you to design your own logo. The logo needs to show each of the 5 ways, and what they mean to you.

E.g. Connect—you could put a photo of you meeting up with friends in their garden, or draw your family spending quality time together.

If you would like to take part in this challenge, please design your logo on a piece of A4 paper and bring into school after Easter. We would like to display them around our school.
