Blocks of PE lessons are substituted appropriately to allow time for swimming lessons. Swimming lessons are planned for a selection of KS2 classes throughout the year, ensuring all children have the opportunity by the time they leave KS2.

The 2014 national curriculum for physical education aims to ensure that all pupils:

- develop competence to excel in a broad range of physical activities
- are physically active for sustained periods of time
- engage in competitive sports and activities
- lead healthy, active lives

KS2 -

Athletics: children will use running, jumping, throwing and catching in isolation and in combination and develop flexibility, strength, technique, control and balance.

Swimming: children will learn to swim competently, confidently and proficiently over a distance of at least 25 metres. They will use a range of strokes effectively such as front crawl, backstroke and breaststroke and perform safe self-rescue in different water-based situations.

OAA: children will take part in outdoor and adventurous activity challenges both individually and within a team.
