

Reception Spring Term Must Read Books

Over the Spring Term the Reception children will become familiar with the following books. They will read them regularly so that children get to know the books well, can retell the stories in their own words, can understand the structure of the stories and discuss characters and events and can build up their vocabulary. These books are also used as part of their themed learning, helping to develop their understanding of the world. We would encourage parents to have these books at home or loan them from the library so that children can bring their learning home with them.

'The Very Hungry Caterpillar' helps us to learn about minibeasts. It teaches us about the life cycle of a caterpillar. We even get our very own real hungry little caterpillars to watch in school. It also helps us to learn about healthy eating.

 The Bad-Tempered Ladybird
Eric Carle

These stories help us to learn about minibeasts. We learn how to recognise different minibeasts, learn about their habitats and how to sort and classify different bugs.
