

Reception Summer Term Must Read Books

Over the Summer Term the Reception children will become familiar with the following books. They will read them regularly so that children get to know the books well, can retell the stories in their own words, can understand the structure of the stories and discuss characters and events and can build up their vocabulary. These books are also used as part of their themed learning, helping to develop their understanding of the world. We would encourage parents to have these books at home or loan them from the library so that children can bring their learning home with them.

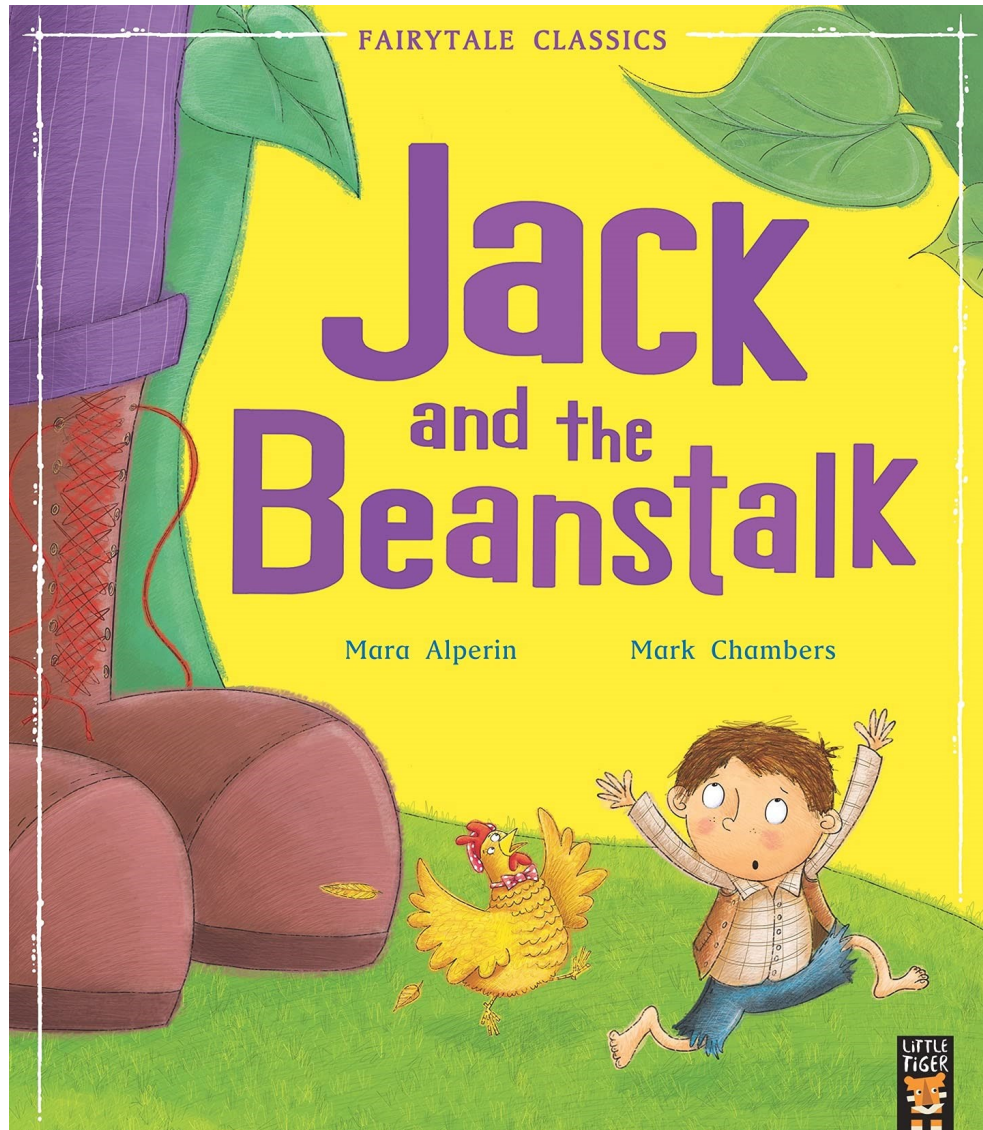

Reception Summer Term Must Read Books

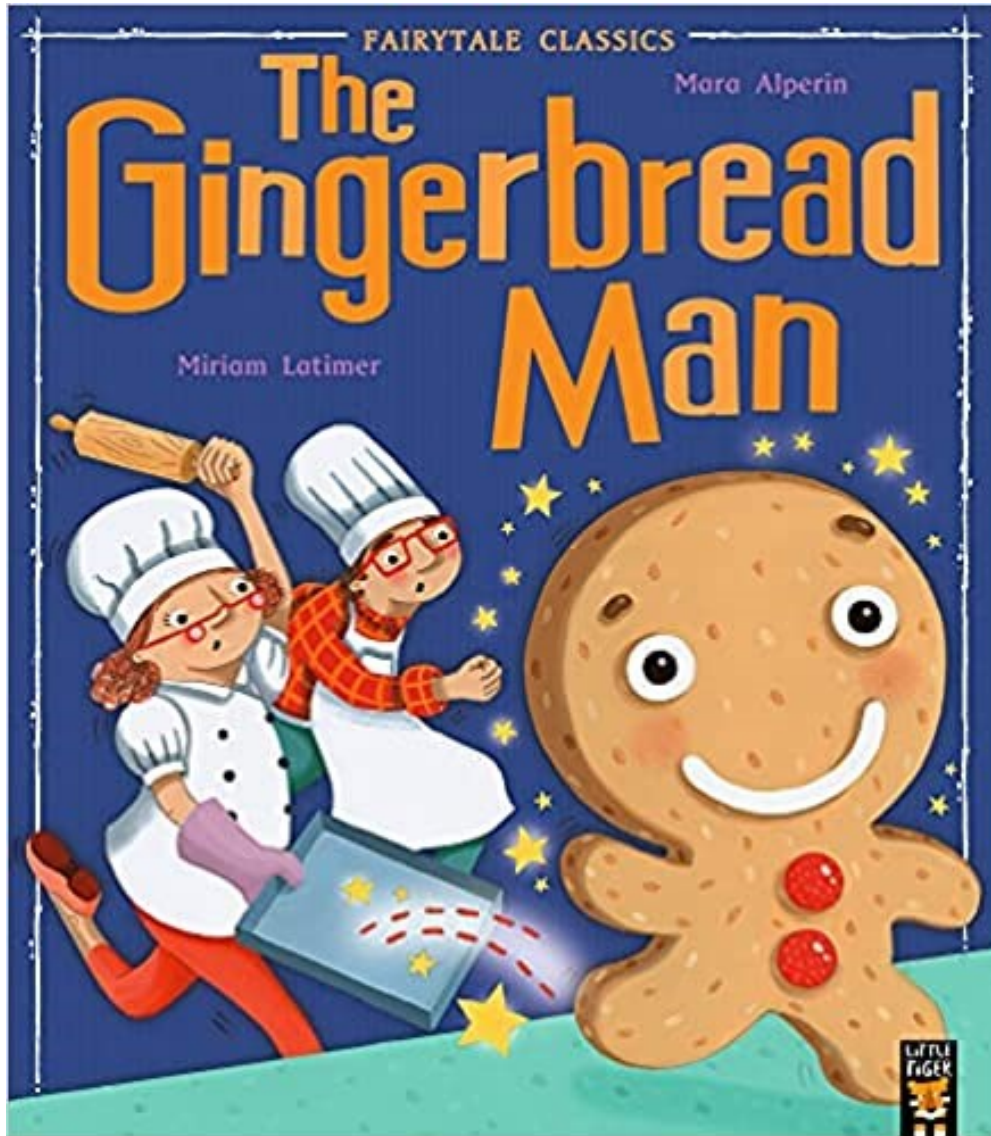

As well as being a well loved fairy tale, 'The Three Little Pigs' teaches us about different materials.

Reception Summer Term Must Read Books

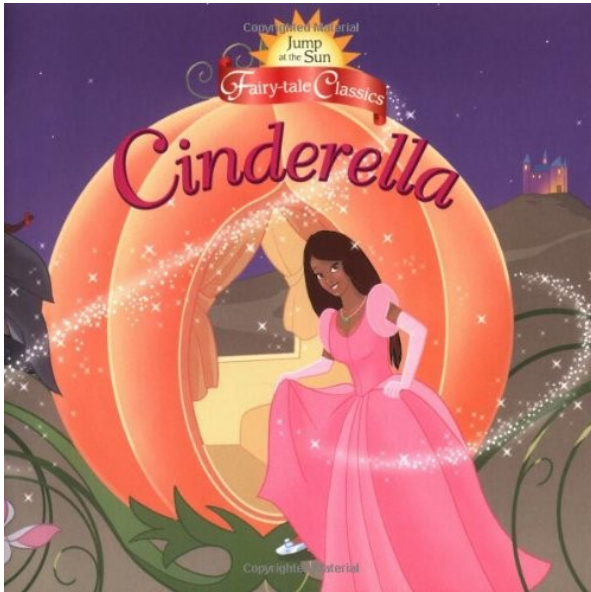

The children love this story with its scary giant—but it also teaches us about how things grow. We learn about plants and plant our own Beanstalks.

Reception Summer Term Must Read Books

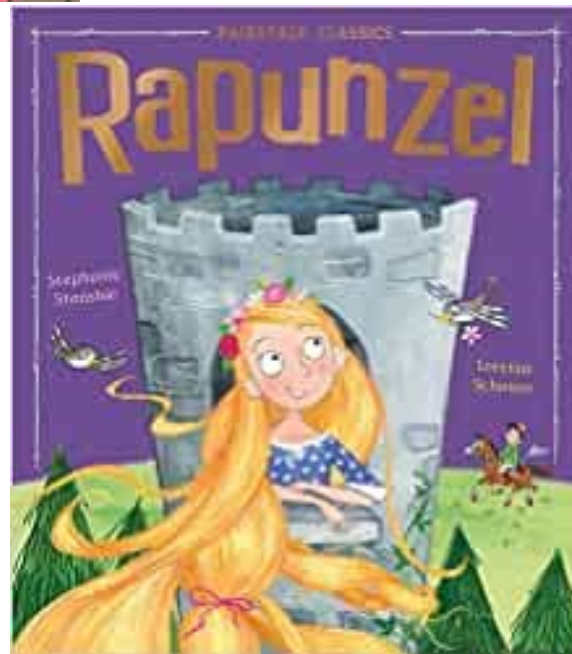

The gingerbread man gives the children an opportunity to learn how to cook! We make our own gingerbread men, and hope they don't run-away.

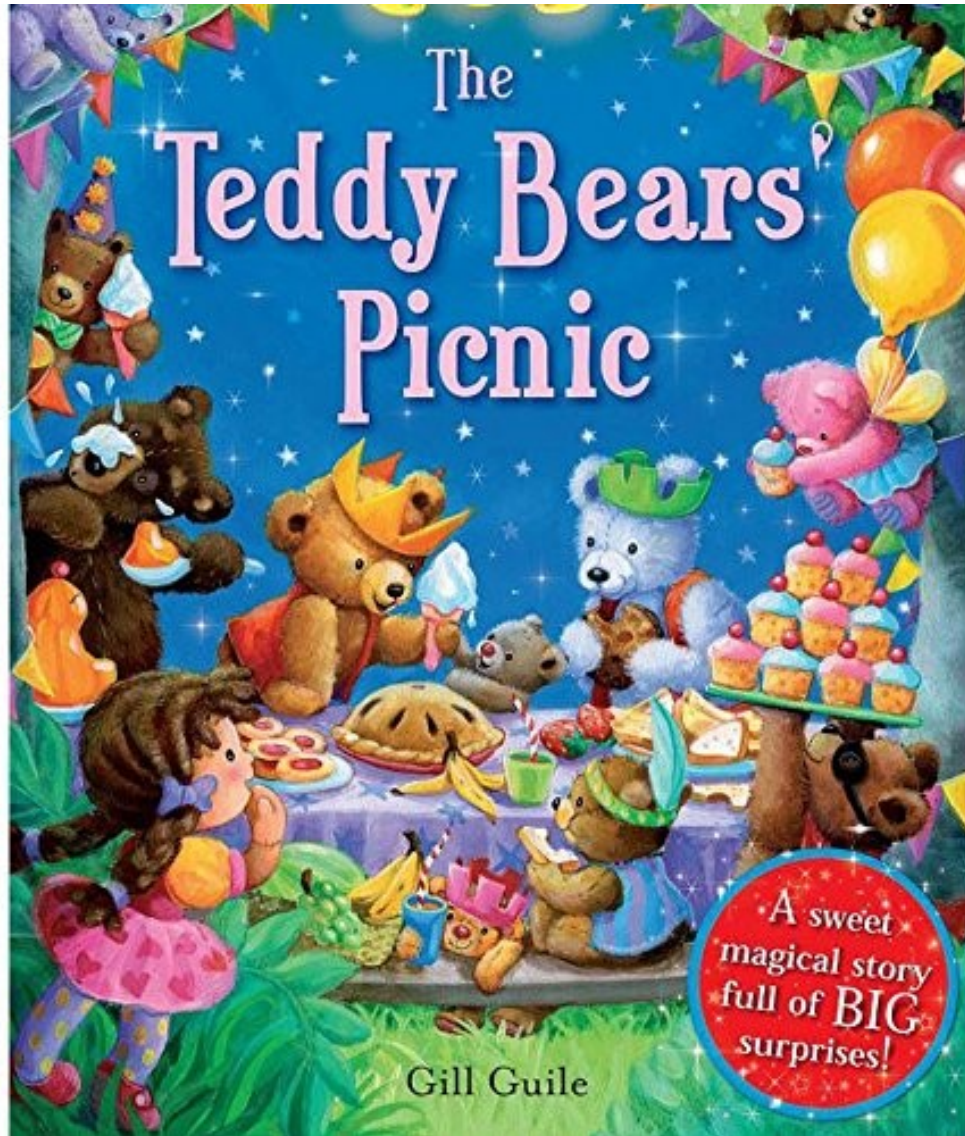

Reception Summer Term Must Read Books

Two more favourites and a chance to become a princess or prince. The children learn about materials when making their own ropes, glass slippers and ball gowns.

Reception Summer Term Must Read Books

To celebrate the end of year we learn from the teddy's how to plan a picnic. We then plan, prepare and host our own teddy bear's picnic!
