

Reception Shared Worship

Summer Term 2

St Anthony's Feast Day is on June 13th

Hymn: He's got the whole world in his hands.

Creation

Genesis 1: 1-31

We will learn about how God created the world and each of us.

Mission: To look around you on your walk home and search for God's creations. What are manmade items?

God's Stewards

Genesis 2 -4

We will learn about how God entrusted Adam and Eve to look after His Garden and how we are all stewards of the world.

Mission: to recycle, to pick up litter and to turn lights off.

Noah's Ark

Genesis 6-9

Not everyone finds being God's steward easy, so we need to make sure we all play our part in looking after the world.

Mission: to turn the tap off when brushing your teeth.

Compassion

Matthew 9:36-10:8

Jesus picks his 12 disciples and instructs them to be compassionate. We will learn what that means and how our friends help us.

Mission: to think about who your close friends are and how you can help them.

A time to rest

Matthew 11 25-30

In Jesus we can find help and a refuge. He is peaceful and unburdens us.

Mission: to think about ways we can find peace. To find moments in the day to stop and find peace.
