

Loving God,

We come together to thank you for our world.
You created the Earth for us to live and prosper in.
You taught us how to care for the world you
created.

Let us give thanks for the joy our world brings us
and pray that we become good stewards of
creation.

Amen

We pray for those who work hard to care for our world.

○ God, help us to follow their example.

We pray for those who do not care for the Earth in the way they should.

○ God, help us to teach others how You want us to live.

We pray for those who will face the worst consequences for our actions.

○ God, help us to help those in need.

We pray that we may be able to care for our world and reverse the damage we have done.

○ God, help us to work together.
