

Year 5 Weekly Update - 23.11.23

This week the children have been working hard on their termly assessments in arithmetic, comprehension, writing, grammar and spelling - well done!

Thank you to all of those who have already donated a toy or game to the South West Herts Partnership for families in need at Christmas. Please note, the charity have asked these items to be new and unused, rather than donations of toys no longer played with.

George, who is our sports coach, came in this week to speak to the children about a charity he has set up and that Year 5 are very keen to support him with. We will provide more information in the coming weeks.

RE

This week in our RE lessons, we have thinking about how people show their love and care for a person by the things they do. The children have been planning and writing letters to someone special in their life that shows them love and care, thanking them for everything they do for them.

Vocabulary: marriage, vow, symbolism, commitment, fidelity

Science

We have been continuing our work on separating materials and this week we set the children a challenge of how to clean dirty water. They have had to decide which separating process out of filtering, sieving and evaporation to use in which order to best clean the water.

Key Vocabulary: Mixture, Soluble, Insoluble, evaporation, filtering, sieving, Reversible change

Reminders

- Term ends on **Tuesday 19th December at 1.30pm.**

- We will be visiting Holy Rood Church next Wednesday 29th November for mass. Please could children bring in a packed lunch on that day.
- Thank you for continued donations of tissues, they are very much appreciated at this time of the year!

Pupil of the Week

LISBON:

Eileen- for great improvement in her reading.

Bobby - for being such a kind and considerate member of our class.

PADUA:

Leo - for a big improvement in his reading.

Roberta - for putting in so much effort into all of her classwork.

Have a great weekend,

Hannah, Amy, Catherine and Magda

Weekly Wellbeing Challenge

GIVE

Create your own Advent calendar. Each day leading up to Christmas, write down one positive thing that you have done or that you are going to do. It could be a kind act, say a prayer or learn something new.
