Year 1 12th July 2024

<u>RE:</u> In RE this week we continued with our new topic on 'Neighbours'. We shared the story about The Good Samaritan based on Luke 10: 25–37 and sequenced the story in our books. We thought about these questions:

Which of the three was a neighbour to the man?

How do you think the injured man felt when the first two men walked away?

What did the injured man need?

Why was it strange that a Samaritan helped?

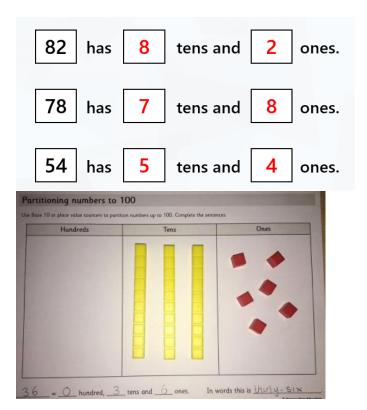

The children reflected on a time when they had helped someone.

Key vocabulary: Neighbours, love, world, share, global

<u>English</u>: This week we looked at a sequence of pictures where a child was making breakfast for their mum. The children wrote sentences for each picture to help them plan a short story to link the pictures together.

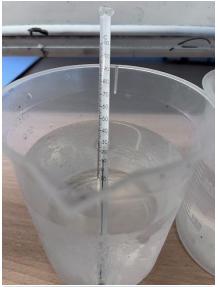

Key vocabulary: capital letter, full stop, because, so, but, adjective, next, then

<u>Maths</u>: This week we have been learning about place value and revising previous knowledge on tens and ones. The children looked at 2-digit numbers and partitioned into tens and ones. We used dienes to practically make the numbers. The children have been really good at counting in tens to work out how many tens they need to make the numbers.

Key vocabulary: place value, tens, ones, dienes, digits

<u>Science</u>: This week the children have been learning about thermometers and temperature. We varied out an investigation to see how the temperature varies between ice water, room temperature water and hot water. We then linked this to how the temperature changes through the different seasons, this helped the children to understand why we wear more layers to keep us warm in winter than in the summer months.

Key vocabulary: Seasons, temperature, autumn, winter, spring, summer, thermometer

Extra information:

Reminder that school is closing early on Friday 19th July at 1:30pm for the end of term.

Phonics books have been collected for the summer and we will not send any more out this term. Please check at home for any outstanding books and return them.

Please see below for the wellbeing challenge and our new Mark 10 weekly mission below.

Wishing you all a lovely weekend!

Five Ways to Wellbeing Challenge

GIVE BE ACTIVE TAKE NOTICE CONNECT

Be kind to our Year 6 Leavers. Say something nice; give them a smile or friendly greeting; perhaps play a game with some of them. Pray for them as they begin a chapter in their lives. Wish them, well for the future.
