

RE

This week the children spent time thinking about what their conscience is and how choosing wisely is very important. They worked in small groups to create actions for the following prayer that they could also say at home:

Holy Spirit, you are with us when we choose.

For our good choices and the joy of making them, we thank you.

For the joy they bring us and others, we thank you.

For our wrong choices, we are sorry.

For the hurt we have done to others, we are sorry.

Help us to take time to think about the consequences of our choices.

We ask you to help and guide us.

Amen

Key vocabulary: conscience, sorrow, grace, penance, sin.

English

In English the children have written their own set of instructions using the correct numbered steps, punctuation, and spelling to teach the year 2 children how to play Rapid Fire Cricket. They thought about how to write an interesting and engaging introduction and will test the effectiveness of their instructions by giving them to the year 2 children next week.

Key vocabulary: chronological order, imperative verbs, verbs, adverbs

Maths

The children continued with their work on time and have been learning how to tell the time using past and to. If you have an analogue clock at home, it would be very beneficial for your child to get as much practise as possible of telling the time.

Key vocabulary: roman numerals, clock, hands, quarter past, quarter to, o'clock, half past

Key Information

- During the warmer weather, please ensure your child brings a refillable water bottle in to school every day and has a hat/cap to wear during break and lunch times.
- The Olympics are coming to Paris in July 2024!
The following Olympic themed games have been created by our friends at Language Angels for you to use at home.
Jouir!

Five Ways to Wellbeing

GIVE

How many kind acts can you do at school by next Friday?

Maybe you can be one of the people who will be noticed for being kind.
