

## Year 4 Update

**Friday 17<sup>th</sup> January 2025**

### **RE**

- This week we have continued our topic about communities. We have thought about Jesus' Apostles and how they were a community and how we can act similarly. We also did some research about our parish community.

### **Pre-Teaching:**

- Next week, we will be thinking about the role of the Priest in our community.

### **English**

- This week we have been learning about the features of a newspaper article and have been role playing and writing eye-witness accounts.

### **Pre-teaching:**

- Next week, we will begin to write newspaper articles.

### **Maths**

- We have been learning about discrete and continuous data using pictograms and bar charts.

### **Pre-Teaching:**

- Next week we will be learning about perimeter.

### **Science**

- This week we have been learning to draw symbols for different electrical components and have made predictions about whether different circuits would work.

### **Pre-Teaching:**

- Next week, we will be building circuits and explaining the use of switches in a circuit.
