Science	Sensitive Bodies.	<ul style="list-style-type: none"> <li>I can name the body part used for hearing.</li> <li>I can identify an object based on the sound it makes.</li> </ul>	Ear, sound, noise, loud, quiet, listening, research, hearing	Senses in action - how we use all our senses everyday.

### Alarm Test

Yesterday we tested our invacuation alarms. As with our fire drills, the children behaved very sensibly. Well done to everyone.

Earrings are not allowed at any time. An email has been sent out to parents regarding earrings and children who regularly wear earrings or any form of jewellery will be monitored.

Please refrain from putting the water bottles in book bags, if they leak on the reading books you will need to pay for a new one.

Please ensure all uniform is clearly labelled and that your child has plimsolls and a PE kit in school. As it is so cold please send grey joggers for your child to wear outside and spare socks if your child wears tights.

Please can you send in a box of tissues with your child.

Please read with your child at least 4 times a week and sign the reading record book. Reading books will be sent out on a Friday and to be returned on a Thursday.

We finish next Friday at 3:30pm for half term.

**Homework:**

Spelling results will be written on your child's new spelling slip.

The spellings will be sent home on Fridays and the spelling tests will take place on the Friday of the following week.

We have attached some maths homework (below) for your child to complete, please support and encourage them. If you cannot print the work you can just write it out for your child. The homework is to reinforce your child's learning.

Please see the Wellbeing challenge and Mark Mission on separate email.

Enjoy the weekend.

Frankie and Rosalind

# Colour subtraction crossing 10

Colour answers between:

1 to 3 = yellow

4 and 5 = red

6 and 7 = blue

8 and 9 = green
