Thank you to all the parents who attended parents evening.

Forest School Needs Your Help To Build a Dead Hedge! 🌿

Our school is creating a dead hedge to mark out the area of the Forest School site. This is a fantastic way to support wildlife and create natural barriers, but we need your help.

We need logs and long branches to make it happen. If you have any spare from garden clearance or pruned trees, please bring them to school and leave them at the edge of the Forest School site.

Thank you for helping us make our school greener and more wildlife-friendly! 🐣 🌱
