Freedom of Information Publication Scheme

Updated March 2025

All public authorities, including schools are required under the Freedom of Information Act to adopt a publication scheme that has been approved by the Information Commissioner. There is currently one approved model publication scheme which has been produced by the Information Commissioner's Office (ICO). School's must adopt the ICO's model scheme and make it publicly available.

Schools should publish a guide to information alongside the publication scheme. The guide should specify:

- The format of the documents
- Any charges for the information
