Forest School Needs Your Help To Build a Dead Hedge! 🌿

Our school is creating a **dead hedge** to mark out the area of the Forest School site. This is a fantastic way to support wildlife and create natural barriers, but we need your help.

We need **logs and long branches** to make it happen. If you have any spare from garden clearance or pruned trees, please bring them to school and leave them at the edge of the Forest School site.

Thank you for helping us make our school greener and more wildlife-friendly! 🐦🌱

PFA MOTHER'S DAY PLANT SALE

The PFA have organised a plant sale for the children at school for Mother's Day.

All plants will cost £3 each, and tickets to purchase a plant will be available to buy online through the school gateway. We will be unable to accept cash for these as we are a cashless school.

*The cut off to be able to purchase a plant is **Thursday 13th March**. This is because we need to place the order in advance.*

We will also only be able to offer one plant per child.

*Children who purchase a ticket will be called to choose their plant to take home on **Wednesday 26th March**.*

Thank you - St Anthony's PFA

Thank you for your continued support,

Bella, Eleay and Laura
