

Year 6 Update – Friday 6th June 2025

Welcome back to school and we hope you enjoyed the half term break. It hardly seems possible but this is the children's last half term in primary school and it's one of the busiest as we have school journey and the school play among other things to look forward to. We hope the children will savour their last few weeks and that it will be a memorable time for them

Football and Netball Afternoon

The children enjoyed an afternoon of sport with Ascot Road on Wednesday where they played a series of netball and football matches. This has been something we've been trying to arrange since last year and it was a thoroughly enjoyable afternoon. The sportsmanship and respect shown by all the children was a credit to both schools and we hope that this will become an annual tradition.

UKS2 School Production

We held auditions for our UKS2 school production, 'Cinderella and Rockerfella' this week and will start rehearsals from next Monday. The children received their parts and song words this week so they can start to learn these.

Isle of Wight Meeting

The children who are going on school journey will have their own meeting next week where they will find out the different visits they will be going on and other practical information about the trip.

Other information

- There will be swimming on Monday 9th June for selected Year 6 children – please ensure they have their correct kit for this session.
