

Year 4 Update

Friday 28th November 2025

The Year 4 children have had a very busy week. They really enjoyed the Digestion Experiment day with Rachel and Emma on Wednesday and had an uplifting time at the Electric Umbrella workshop on Thursday afternoon.

RE

- This week we looked at several passages from the bible that describe John the Baptist and how he prepared us for the coming of Jesus.
- We have also been preparing our advent display in preparation for the coming weeks.

Pre-Teaching:

- Next week, we will continue our 'Prophecy and Promise' topic by reflecting on how prophecy prepares Christians for Jesus' coming.

English

- This week we have consolidated our learning of information texts. We considered the importance of prepositions in scientific explanations.

Pre-teaching:

- Next week, we will be beginning our final topic for this term 'narratives'. We will be exploring the text 'Zeraffa Giraffa' and writing summaries of the story using bullet points.

Maths

- This week, we have been solving problems involving measures.

Pre-Teaching:

- Next week, Year 4 Padua will be multiplying and dividing by 10 and 100. Year 4 Lisbon will continue to convert units.

Science

- This week we created digestive systems in small groups. We learnt about the main features of the digestive system.

Pre-Teaching:

- Next week, we will be looking at the teeth of carnivores, herbivores, and omnivores.
